3) The S. S. has given reasons why a lower rate of fee should be prescribed in the case of the Sanatorium. ~~The existing rate is Rs 1-8-0 which~~

4) In G.O. D 13.6.1927 a uniform rate of Rs 1-8-0 was fixed both for 1st & 2nd classes pending the construction of new wards. ~~The S.S. wants a uniform fee of Rs 2-8-0 to be levied~~

It is not clear from the S.S's letter that the enhanced fee now proposed by him is for a 2d class patient or whether it is meant to be a uniform rate.

CHIEF SECRETARY. 17 JUNE 1931

The fees proposed by the Senior Surgeon are moderate - if anything, too low - and may be levied from 1st July 1931

It is not perhaps necessary to consult the Standing Committee for L.S.G.

22 MAY 1931

To

The Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR,

Adverting to G.O.No.G.12988-90 Med.27-26-40 dated 13-6-27 directing that pending construction of the additional wards in the P.K.T. Sanatorium, Mysore the distinction between 1st and 2nd class special wards be done away with and uniform fee of Rs.1-8-0 per day be charged and with reference to para 6 of G.O.No.G.9799-310/Med.55-30-9 dated 25-3-31, I have the honour to propose that the charges for special wards may be raised from Rs.1-8-0 to Rs-2-8-0 per day as existed formerly.

Further, Shampur Papanna's ward practically conforms in all respects to a special ward. I recommend that this ward may also be treated as a special ward and charged for at the same rate of Rs.2-8-0 with the proviso that the patients belonging to the Donor's community may be treated free, as originally stipulated by him.

In consideration of the fact that the patients undergoing treatment at the Sanatorium are expected to remain in the wards for months and in some cases for over a year the fee to be prescribed cannot be fixed at Rs.4/- and 8/- as in the Victoria Hospital and Minto Opthalmic Hospital, Bangalore and Krishnarajendra Hospital, Mysore.

I may note that in all the Hospitals, other than the institutions above referred to, the fee levied is only Rs.2-8-0 for a second class ward patient, - the same as now proposed for the Sanatorium.

I have the honour to be,
Sir,
Your most obedient servant,
S. Subba Rao
Senior Surgeon.
